Happy Holidays!

This is the e-Bulletin from the Livermore-Amador Genealogical Society (L-AGS), provided monthly to our members. If you would prefer not to receive this e-Bulletin or other information, please send a message to <mailto:membership@L-AGS.org> and your address will be removed from our distribution list.

If you have a special genealogy or local history event or announcement you would like to see included, please submit via email to:

<mailto:bulletin.manager@L-AGS.org>.

Note: In the banner above is a photo of a statue from the Pleasanton Library called, "Girl Reading." This has a very special connection to L-AGS as it is there in memory of L-AGS member, Judy Person's daughter, Sarah Anne Lees (named after her 4th great-grandmother). It was sculpted by a Utah sculptor named Dennis Smith, as is the similar one of the girl reading to a boy.

This lecture presents a case study using the One-Step Webpages as well as other websites to develop a family history. It illustrates how, with a minimal amount of initial information, an entire genealogy can be obtained. It also shows how to obtain records in spite of name misspellings, and how to avoid accepting wrong information.

Stephen Morse is the creator of the One-Step Website for which he has received both the Lifetime Achievement Award and the Outstanding Contribution Award from the International Association of Jewish Genealogical Societies, Award of Merit from the National Genealogical Society, first-ever Excellence Award from the Association of Professional Genealogists, and two awards that he cannot pronounce from Polish genealogical societies.

In his other life Stephen is a computer professional with a doctorate degree in electrical engineering. He has held various research, development, and teaching positions, authored numerous technical papers, written four textbooks, and holds four patents. He is best known as the architect of the Intel 8086 (the granddaddy of today's Pentium processor), which sparked the PC revolution 30 years ago.

Be sure to check our blog, *The Continuing Adventures of the TV-TMG Users Group* (<http://tvmtmgadventures.blogspot.com/>), before each meeting for up-to-date information regarding our meetings, including possible changes to current and future meetings, and meeting notes. From this website you will find links to our other website resources. Sign up and "follow" the blog. It's a great place to view TMG screenshots, find detailed instructions, post notes and ideas from each meeting, and ask and answer questions.

Please bring a copy of our TV-TMG book, *Source Templates for The Master Genealogists, A Guide for Creating Computerized Genealogical Source Citation Templates*, to all future meetings, as it will be our official workshop textbook. COOPERATIVE EFFORTS

In an effort to provide the local area with the best possible resources and capabilities in genealogy, L-AGS participates in ongoing cooperative endeavors with several organizations.

LIVERMORE LDS FAMILY HISTORY CENTER

L-AGS is not affiliated with the Mormon (LDS) Church. L-AGS does however partner with the Livermore LDS Family History Center (FHC) for various non-denominational genealogical events such as educational seminars, guest speakers, indexing projects and special interest groups.

LDS facilities at their Mocho Street, Livermore complex are often used for these. Several L-AGS members, both LDS and non-LDS, volunteer as docents at the FHC. They are available to assist you in your genealogy research. The FHC has several subscription research sites not readily available elsewhere.

The Mocho Street FSC is open Mondays 9 a.m. – 3 p.m., Wednesday and Thursday evenings 6 p.m. – 9 p.m. and Saturday 1 p.m. – 4 p.m. For further information please contact the center at (925) 443-2750 during these hours.

HELP WANTED

Library Docent. Docent needed one Wednesday morning a month from 10am to 1pm. Contact the docent chair at <mailto:docents.chair@L-AGS.org>.

Oak Knoll Cemetery. The Oak Knoll Cemetery Project needs some help. Dick Finn and his cousin in England, Peter Kitchingham, are working on identifying all of the people buried at the old Oak Knoll Cemetery at the corner of Stanley and Wall St. in Livermore. This project will conclude with a book listing all these people and something about their families including photographs of gravestones where available. We have a listing of articles about these people in local newspapers. It would be a great service if a few people would take the time to look up and copy these articles for the project. Microfilm of the papers are at the Livermore Library and the Livermore Heritage Guild. If you can help please contact Dick at <mailto:rwwfinn@yahoo.com>.

Person with a Scanner and Time Wanted! There are years' worth of L-AGS Board Meeting Minutes that could use some digitizing (to clear space from the Recording Secretary's home!). If you have a scanner and time, please let the President know at: <mailto:president@L-AGS.org>.
