Happy Maternal Ancestor Day!

This is the e-Bulletin from the Livermore-Amador Genealogical Society (L-AGS), provided monthly to our members. If you would prefer not to receive this e-Bulletin or other information, please send a message to <mailto:membership@L-AGS.org> and your address will be removed from our distribution list.

If you have a special genealogy or local history event or announcement you would like to see included, please submit via email to:

<mailto:bulletin.manager@L-AGS.org>.

Note: In the banner above is a photo of a statue from the Pleasanton Library called, "Girl Reading." This has a very special connection to L-AGS as it is there in memory of L-AGS member, Judy Person's daughter, Sarah Anne Lees (named after her 4th great-grandmother). It was sculpted by a Utah sculptor named Dennis Smith, as is the similar one of the girl reading to a boy.

In a world of search boxes and little green leaves, developing the judgment to determine what is credible and reliable, and acquiring the context knowledge that informs that judgment, is not easy. It cannot be developed through lectures and books, and it probably won't be acquired by avoiding entirely such a pervasive resource as online family trees. There tend to be three common approaches to this resource: (1) "I never use online family trees." (2) "I always use them. Why not?" (3) "I only use them for clues, and someday I'll get around to verifying those clues." Regardless of the camp you're in, interrogating online family trees with a few basic concepts in mind might be a good starting point in improving your research fundamentals and developing sound genealogy judgment.

SUMMARY OF LAST BOARD MEETING

Richard Finn is in the process of writing a book about the many plaques on historic homes and businesses in Livermore. If members of L-AGS know of out-of-the-way plaques, please let Richard know where they are located.

The Sutro Library in San Francisco is a branch of the California State Library. Since October 2017 the library has “hosted” the Bay Area Genealogy Calendar which posts genealogy, family history, and local history events in several counties around the Bay Area. To view the calendar, go to www.library.ca.gov/Sutro/Genealogy/Calendar.

Members should check that they have renewed their membership for 2018 – an email reminder will be sent out to those whose dues are late.

LIVERMORE FAMILY HISTORY CENTER

Several L-AGS members, both LDS and non-LDS, volunteer as docents at the Livermore FHC. They are available to assist you in your genealogy research. The FHC has several subscription research sites not readily available elsewhere. The Mocho Street FSC is open Mondays 9 a.m. – 3 p.m., Wednesday and Thursday evenings 6 p.m. – 9 p.m. and Saturday 1 p.m. – 4 p.m. For further information please contact the center at (925) 443-2750 during these hours. L-AGS is not affiliated with the Mormon (LDS) Church. L-AGS does however partner with the Livermore LDS Family History Center (FHC) for various non-denominational genealogical events such as educational seminars, guest speakers, indexing projects and special interest groups. LDS facilities at their 950 Mocho Street, Livermore complex are often used for these. Note: The entrance is in the front of the building on the right—there is a sign on the door. If the parking in front of the building is full, there is a large parking lot in the rear of the building.

A L-AGS docent is available at the Pleasanton City Library Wednesdays from 10:00 a.m. to 1:00 p.m. or by appointment, e-mail: <mailto:docents.chair@L-AGS.org>. The library is located at 400 Old Bernal Avenue in Pleasanton. The Pleasanton Genealogy Center, jointly supported by L-AGS, the Friends of the Pleasanton Library, and the Pleasanton Public Library, contains the largest collection of genealogy books, CDs and online databases in the Tri-Valley. Over 100 of the genealogy volumes may be checked out. Obtain information at the reference desk. The L-AGS genealogy reference book collection of 1,000 volumes resides in the Genealogy Section of the Pleasanton City Library. The L-AGS and the Friends of the Pleasanton Library provide access to the following subscription genealogy databases:

HELP WANTED

Library Docent. Docent needed one Wednesday morning a month from 10am to 1pm. Contact the docent chair at <mailto:docents.chair@L-AGS.org>.

Oak Knoll Cemetery. The Oak Knoll Cemetery Project needs some help. Dick Finn and his cousin in England, Peter Kitchingham, are working on identifying all of the people buried at the old Oak Knoll Cemetery at the corner of Stanley and Wall St. in Livermore. This project will conclude with a book listing all these people and something about their families including photographs of gravestones where available. We have a listing of articles about these people in local newspapers. It would be a great service if a few people would take the time to look up and copy these articles for the project. Microfilm of the papers are at the Livermore Library and the Livermore Heritage Guild. If you can help please contact Dick at <mailto:rwoffinn@yahoo.com>.

Person with a Scanner and Time Wanted! There are years' worth of L-AGS Board Meeting Minutes that could use some digitizing (to clear space from the Recording Secretary's home!). If you have a scanner and time, please let the President know at: <mailto:president@L-AGS.org>.
