This is the e-Bulletin from the Livermore-Amador Genealogical Society (L-AGS), provided monthly to our members. If you would prefer not to receive this e-Bulletin or other information, please send a message to <mailto:membership@L-AGS.org> and your address will be removed from our distribution list.

If you have a special genealogy or local history event or announcement you would like to see included, please submit via email to:

<mailto:bulletin.manager@L-AGS.org>.

Note: In the banner above is a photo of a statue from the Pleasanton Library called, "Girl Reading." This has a very special connection to L-AGS as it is there in memory of L-AGS member, Judy Person's daughter, Sarah Anne Lees (named after her 4th great-grandmother). It was sculpted by a Utah sculptor named Dennis Smith, as is the similar one of the girl reading to a boy.

President Message-

Tom Mathews and myself met with East Bay Association of Genealogical Programmers. It is understandable that everyone is trying different ways to continue to meet and share information of a genealogical nature. One thing is certain, we will be doing this for a while. Tom Mathews is scheduling all of our meetings via Zoom until at least May. After May of 2021, Tom is looking at maybe something more flexible where if all the stars are aligned, we could do an in person meeting at Temple Beth Emek and those who want to view the meeting remotely can still do that. Stay flexible.

None of us know exactly what to expect. I try to think back to what our ancestors who were living in 1918-1919 would be doing and how they would have dealt with their pandemic.

So if you have not joined us on a Zoom meeting, please do. I sent out a YouTube link for beginners last month and I can send it out again. Please email me president@L-AGS.org and I can send it to you again. We will be doing this for awhile. We miss you and would like to see your bright and shiny face.
