Blogs, Podcasts, Webinars and Wiki OH MY

Ever wondered why you would want to read blogs; or maybe you've heard the word blog but aren't quite sure what one is? Podcasts sound like some kind of alien garbage thrown out of a UFO. What's that got to do with genealogy? Or maybe you've heard about Webinars but have no way of knowing where to find some on genealogy. And Wikis ...what the heck is a Wiki?

This presentation will help you learn what these new terms are and why you want to know about them. Blogs, Podcasts, Webinars and Wikis are all wonderful new internet tools you should be using to grow your genealogy. Come and find out how.
