Happy New Year!

This is the e-Bulletin from the Livermore-Amador Genealogical Society (L-AGS), provided monthly to our members. If you would prefer not to receive this e-Bulletin or other information, please send a message to <mailto:membership@L-AGS.org> and your address will be removed from our distribution list.

If you have a special genealogy or local history event or announcement you would like to see included, please submit via email to:

<mailto:bulletin.manager@L-AGS.org>.

Note: In the banner above is a photo of a statue from the Pleasanton Library called, "Girl Reading." This has a very special connection to L-AGS as it is there in memory of L-AGS member, Judy Person's daughter, Sarah Anne Lees (named after her 4th great-grandmother). It was sculpted by a Utah sculptor named Dennis Smith, as is the similar one of the girl reading to a boy.

TOPIC: Researching War of 1812 Era Ancestors

GUEST SPEAKER: Kathryn Miller Marshall

DATE: Monday, January 9, 2017 – 7:30 p.m.

LOCATION: Congregation Beth Emek, 3400 Nevada Court, Pleasanton

Map to the Meeting Site:

<http://www.L-AGS.org/maps/Pls-BethEmek.jpg>

Sandwiched between two wars fought with the Barbary pirates off “the shores of Tripoli,” over 450,000 Americans fought in the War of 1812. Hundreds more were part of the state militias which, in theory, included all free adult males of military age. On the opposing side were Canadians, British, and a large proportion of Irish personnel. Battles raged from Canada to New Orleans, involving much of the population as suppliers, freighters, soldiers and sailors, pensioners, and widows. Learn the best web sites, special collections, and strategies for mining the extraordinary depth of records from this pivotal era in our nation’s past.

Kathryn Miller Marshall holds a Ph.D. in Psychology from the University of California at Berkeley where she taught for seven years. Dr. Marshall was the Director of the Lodi California Family History Center, where she served for 16 years. Kathryn became an expert on the history of California between 1840 and 1865 when asked to write books on pioneers living in that era. She writes interpretive panels for museum exhibits, has published maps of western trails and California’s northern mining region, and edited the 2nd edition of Kenneth Davies and Lorin Hansen’s Mormon Gold. Dr. Marshall wrote Discovery of California Gold, a curriculum augmentation book for 3rd, 4th, 5th, and 8th grades, and is currently writing about the voyage of the ship Brooklyn, whose passengers were pivotal in transforming San Francisco from a sleepy village into a vibrant, cosmopolitan city. Dr. Marshall provides research expertise as an advisor to the Board of the California Pioneer Heritage Foundation, which builds monuments, provides living history re-enactors at state parks and special events, and preserves historical sites in California.

HELP WANTED

Library Docent. Docent needed one Wednesday morning a month from 10am to 1pm. Contact the docent chair at <mailto:docents.chair@L-AGS.org>.

Oak Knoll Cemetery. The Oak Knoll Cemetery Project needs some help. Dick Finn and his cousin in England, Peter Kitchingham, are working on identifying all of the people buried at the old Oak Knoll Cemetery at the corner of Stanley and Wall St. in Livermore. This project will conclude with a book listing all these people and something about their families including photographs of gravestones where available. We have a listing of articles about these people in local newspapers. It would be a great service if a few people would take the time to look up and copy these articles for the project. Microfilm of the papers are at the Livermore Library and the Livermore Heritage Guild. If you can help please contact Dick at <mailto:rwoffinn@yahoo.com>.

Person with a Scanner and Time Wanted! There are years' worth of L-AGS Board Meeting Minutes that could use some digitizing (to clear space from the Recording Secretary's home!). If you have a scanner and time, please let the President know at: <mailto:president@L-AGS.org>.
