If you would prefer not to receive this e-Bulletin or other information, please send a message to <mailto:membership@L-AGS.org> and your address will be removed from our distribution list.

If you have a special genealogy or local history event or announcement you would like to see included, please submit via email to:

<mailto:bulletin.manager@L-AGS.org>.

*Note: In the banner above is a photo of a statue from the Pleasanton Library called, "Girl Reading." This has a very special connection to L-AGS as it is there in memory of L-AGS member, Judy Person's daughter, Sarah Anne Lees (named after her 4th great-grandmother). It was sculpted by a Utah sculptor named Dennis Smith, as is the similar one of the girl reading to a boy.*

### Vital Records and the Calendar Change of 1752

**DATE:** Monday, January 10, 2022 at 7:00 p.m.

**Location:** Remote Zoom

**Speaker:** Lisa Gorrell

Do you feel like your research just goes in circles, that you keep finding the same information, or you have brick walls you can't solve? Being focused in your research will bring better results. This can be done by using research plans. I will explain how to create and use a research plan to help keep you on focus in your research and get better results. Lisa Gorrell became a Certified Genealogist in December 2018. She teaches genealogy courses locally at the Acalanes Adult School and with the Applied Genealogy Institute. She also lectures to societies, and volunteers with the Contra Costa County Historical Society as a board member and in their archives at the History Center in Martinez. She enjoys giving genealogy presentations and writing about her family on two blogs: "Mam-ma's Southern Family" (ma'am-ma) <http://mam-massouthernfamily.blogspot.com/> and "My Trails into the Past" <http://mytrailsintothepast.blogspot.com/>. She has also written a three-generation family history about her husband's Swedish ancestors.
