This is the e-Bulletin from the Livermore-Amador Genealogical Society (L-AGS), provided monthly to our members. If you would prefer not to receive this e-Bulletin or other information, please send a message to <mailto:membership@L-AGS.org> and your address will be removed from our distribution list.

If you have a special genealogy or local history event or announcement you would like to see included, please submit via email to:

<mailto:bulletin.manager@L-AGS.org>.

Note: In the banner above is a photo of a statue from the Pleasanton Library called, "Girl Reading." This has a very special connection to L-AGS as it is there in memory of L-AGS member, Judy Person's daughter, Sarah Anne Lees (named after her 4th great-grandmother). It was sculpted by a Utah sculptor named Dennis Smith, as is the similar one of the girl reading to a boy.

Announcements:

All L-AGS Board Meetings will now be held remotely via Zoom on a permanent basis! This gives more of our members an opportunity to join the board. All other L-AGS meetings are currently being held via a remote platform and will hopefully be moving to an in-person platform in 2022. Please see meeting information for details.

It is time for MEMBERSHIP RENEWALS. Please visit:
<http://www.l-ags.org/application.html>
to renew your membership for 2022.

Your accumulated used books will be welcomed donations. At last, the Friends of the Pleasanton Library will hold a special "Donation Saturday" event on Sat., Feb. 12, 10 a.m. - 3 p.m. at the Library, 400 Old Bernal Ave.

Bring your nearly new items to donate that Saturday. You'll receive a tax receipt and a sense of pride, knowing you're helping the Friends support the Library.

Your books, CDs, and DVDs will then be offered at our next book sale.

GENERAL MEETING:

The ABCs of Land Records

DATE: Monday, February 14, 2022 at 7:00 p.m.

Location: Remote Zoom

Speaker: Glenda Lloyd

Land records are one of the most important genealogical tools. Understanding the terms make them easier to use. The goal of this lecture is to explain some of the terms and make your land records research more successful.

Glenda Gardner Lloyd is a fourth generation Californian. She grew up on a cattle ranch in northeastern California and attended a one-room country school. She received her BA from the University of California, Santa Barbara and her MA from California State University, Sacramento. She taught elementary school and worked as a reading specialist for thirty-eight years. Glenda helped organize and served as the first president of Root Cellar, Sacramento Genealogical Society. She has taught genealogy classes through San Juan Adult Education for many years. She participates in local seminars for the California State Archives, the Regional Family History Center, the Sacramento City Library, and does workshops for many local societies. She has lectured for the Salt Lake Institute. Genealogy is her hobby and her passion which she hopes to share with all of you.
