Tips for Breaking Down Brick Walls

Lisa Gorrell has been seriously researching her family for more than twenty-five years. It was the birth of her daughters that began the journey connecting the past and the future generations. One trip to Sutro Library to use microfilm of the 1920 census and finding her grandfather's family got her hooked.

She is currently a board member with the Contra Costa Historical Society & volunteer at their archives at the History Center in Martinez, and a past-president of the Contra Costa County Genealogical Society and past-recording secretary of the California Genealogical Society. She is the tour leader with CGS's research trip to Salt Lake City.

She enjoys giving genealogy presentations and writing about her family on two blogs: "Mam-ma's Southern Family" <http://mam-massouthernfamily.blogspot.com/> and "My Trails into the Past" <http://mytrailsintothepast.blogspot.com/>. She has also written a three-generation family history about her husband's Swedish ancestors.
