Restoring and documenting an Old Cemetery

Bill started on his family genealogy in 1972 and has been a member of San Ramon Valley Genealogical Society since 2011. He served as their Treasurer for one year and is currently active in their Publishing Special Interest Group. In 2011 he spoke to L-AGS about his research road trip of 26 days, 7700 miles, and 12 states to complete a book on his paternal Hewitt line. Since then he has worked more in-depth on his maternal Rogers line, making multiple trips to Barren County, Kentucky, in that effort. He is a member of the Barren County Historical Society.
