<https://us06web.zoom.us/join/joinMeeting/tZYscOyrrD4pGdl88N7xDMAS1gextKvMAsJ6#/registration>

COST: No Charge - Visitors welcome

Comparing Plats of Land with Deeds and Grants

Land Plats of an ancestor's land will likely include his surrounding neighbors. With a closer examination, we might gain an understanding of their lives and place them with their community and local events.

J. Mark Lowe describes himself as “born to be curious.” He is a professional genealogist and educator who specializes in original records and manuscripts throughout the South. He coordinates “Research in the South” courses at IGHR, SLIG, and TIGR, worked on several TV series, hosts a YouTube channel, and does webinars.
